## **BACKGROUND:**

The Trauma Intervention Program (TIP) is a volunteer program established in 1985, “To provide immediate on scene support to the victims of crime and survivors of tragedy.” This program is used extensively throughout Southern California to supplement existing Victim Witness programs and help those who may fall between the cracks for incidents that may not be crimes, but still need compassionate support.

Meetings in early 2014, between all Ada County first responders, indicated interest in this program, and commitments were made to financially support this project. Each agency agreed to pay .12 cents per capita. In 2015 TIP established a local affiliate office and agencies across the valley have found the TIP program to be beneficial. Boise Police and Fire wish to continue in this partnership.

This will be the fourth (4<sup>th</sup>) year that Boise City participates in this Agreement. This year the cost will be split between Police and Fire. Boise City’s total commitment would be \$26,840.00. This is a zero percent increase from FY17.

## **FINANCIAL IMPACT:**

Estimated \$26,840.00.
